TTT905 Quick Trim, Part # 12-660-5

Overview:

Quick Trim Unit with dual potentiometers mounted in an aluminium box and fitted with a cable and 4-pole SureSeal connector. The Unit can be used for different applications and one of them is **adjusting Start-Rpm** and **Ramp-Time** for the **Launch control** function in the TTT802 Gearshift Controller.

Key features:

- Dual Potentiometers
- 1200 mm cable with fitted SureSeal connector
- Direct indication of potentiometer position on the TTT802 Rpm-bar makes it very easy to adjust.

Housing:

Black anodized aluminium with polycarbonate front panel

Size:

40 x 90 x 27 mm

Weight:

165 grams

Schematic:

+5VDC, Yellow, SureSeal connector 4
Signal A, Brown, SureSeal connector 1
Signal B, Green, SureSeal connector 2
GND, Black, SureSeal connector 3
